I'll be out most of the next two weeks after tomorrow, but will be on the computer. Please include Doug Frankenthaler on messages regarding the evolution of our efforts re: Dimock; he'll be the ORC lead on water issues .

Please also share any material you'd like inserted into speaker's notes. Will send out updated versions as the material is provided and the presentation is further developed. If you have comments on the other slides please feel free to share those as well.

thanks,

Angela
